

To our valued clients,

Kreider's Canvas Service, Inc. is closely monitoring the dynamic situation of COVID-19 (coronavirus). We are navigating the situation quickly and adapting as new information is available in order to protect the health and safety of our associates, partners and customers while ensuring continuity of our business partnerships. While the situation remains fluid and continues to evolve almost daily, we have taken specific actions with the health and safety of everyone in mind.

Thank you for your understanding as we work together to minimize the impact of this evolving situation on everyone involved.

Please take note of the following changes (subject to change):

1. FRIDAY May 1st we will be re-opening our office and resuming business along with other construction companies as allowed by the state.
2. Please wear a mask upon entering our office and maintain a social distance. Our facility has doubled its cleaning and disinfecting efforts for your safety.
3. At this time our estimator is available for in-house appointments. He will use a mask and gloves while maintaining social distance. We will also try to stay outside your home if at all possible. If you would rather not meet with the estimator personally feel free to still have him out to measure and assess your problem areas and communicate via cell phone when he is on-site.
4. We are prioritizing our rehang clients and current projects in our pipeline. We will start at the beginning of our pre-arranged list and work through it. We must adhere to the current order of the list. NO EXCEPTIONS. This will allow our teams to work at peak efficiency, serving ALL OF OUR CLIENTS as quickly as possible.
5. When our install crews stop by your home please stay in the house or if communication is needed please maintain a 6-10' distance from our teams or call our office.

Your patience and consideration is greatly appreciated as our team gives 110% to provide you the best service possible!

Please feel free to contact us if you have any questions or would like to discuss directly.

All the best,

The Kreider's Team
